**Subject:** Fw: Dimock Sampling Plan - Draft Final for Review

We have received the sampling plan for the Dimock project. I have placed these documents on I:/AT\_Shared/Special Projects/Marcellus/Dimock. The parameters, sample containers, QC requirements, shipment info, etc. should be looked at so let me know if anyone has any comments.

I should find out more today on scheduling.

Karen and Cynthia,

Please find the final draft of the SAP for Dimock attached below. I am providing the main body of the SAP in Word so you may add comments as you wish. The tables are only present in the pdf version of the SAP.

We would like to finalize the plan by close of business Wednesday January 4. If you are able please provide any comments you may have by then. If you need more time please let me know and we will do all we can to accommodate your needs.

You may call me at your convenience using my mobile as listed below.

thanks  
Rich

Rich,

Attached for your team's review, please find the most-recent Dimock sampling plan which incorporates elements of our discussions yesterday as well as that subject matter discussed with Dr. Ludwig. The .pdf contains the attachments.

Please let us know if you have any questions. Thanks,

Joe Carter
